

BUILD YOUR CAREER WITH SITE CONNECT

Great projects start with great people.

WHO WE ARE

Site Connect is an electrical contractor with teams working on projects across Alberta and throughout Canada. Our work covers everything from residential to commercial and industrial projects, service work, low voltage and security, fire alarm, controls, and data/network systems.

We're proud of the work we do, but we know the company is only as strong as the people behind it. Our goal is to build a team where people enjoy coming to work, feel supported, have opportunities to grow, and are recognized for the work they put in.

Whether you're starting your apprenticeship, building your skills as a Journeyman, stepping into a leadership role, or joining our office team, we want Site Connect to be a place where you can build a long-term career.

WHAT YOU CAN EXPECT FROM SITE CONNECT

Competitive Benefits

Comprehensive group benefits for eligible employees, helping support you and your family.

Matching RRSP Program

A company matching RRSP program to help eligible employees build toward their long-term financial goals.

Safety-First Culture

A strong commitment to safe work practices, training, accountability, and making sure our people go home safely.

Health & Wellness Spending

Health and Wellness Spending Accounts provide added flexibility to support your individual needs.

Growth & Development

Opportunities to learn, take on new responsibilities, develop leadership skills, and grow with the company.

Team-Driven Environment

A collaborative workplace built around respect, communication, reliability, and supporting one another.

APPRENTICE ELECTRICIAN

[Join the Site Connect team.](#)

LOCATION: Calgary & Edmonton **EMPLOYMENT:** Full-Time **Pay:** From CA\$22 - \$35.20 per hour

Job Overview

We are seeking an experienced Apprentice Electrician to join our team. This position is intended for a registered apprentice who already has hands-on electrical experience and a solid understanding of the trade. We are looking for someone who can confidently contribute on site while continuing to develop their skills under the guidance of experienced Journeymen and Foremen.

Responsibilities

- Assist Journeypersons and Foremen with installation, maintenance, and construction tasks
- Safely use hand and power tools under supervision and according to training level
- Support material handling, jobsite organization, and work area setup/teardown
- Read and follow basic drawings, plans, and instructions as skills progress
- Follow all company safety policies, PPE requirements, and site procedures

Responsibilities Continued

- Participate in apprenticeship training, safety meetings, and on-the-job learning
- Demonstrate initiative, reliability, and a strong willingness to learn and grow in the trade

Qualifications & Skills

- Registered or eligible electrical apprentice.
- Strong work ethic and positive attitude.
- Ability to follow instructions and work within teams.
- Able to work on their feet for extended periods and perform site-related physical tasks.
- Reliable, punctual, and safety focused.

Why Join Site Connect?

You will be joining a growing team working across a diverse range of electrical and infrastructure projects. We are committed to providing a safe, supportive environment where employees can build their skills, take on new challenges, and create a career they are proud of.

Interested in joining our team? We would love to hear from you.
